Malta Odometer Announcement No.UK01 – UK Inspections

JEVIC UK Ltd, a subsidiary of Japan Export Vehicle Inspection Centre Co., Ltd (JEVIC), a Japan registered company has been appointed by Transport Malta as an approved body to complete odometer verification.

For M1 class vehicles (motor vehicles used for the carriage of passengers and comprising no more than eight seats in addition to the driver's seat) entering Malta from England, Wales, Scotland, Northern Ireland and Southern Ireland.

Transport Malta advise that vehicles entering Malta from the above EU countries will not be granted Registration or License from 1st April 2011 without an accompanying Odometer Certificate of Authenticity. JEVIC is the approved body by Transport Malta.

Odometer Verification Process:

- Clients are required (via the booking form) to declare the current vehicle mileage.
- A copy of the current Registration Certificate (V5 document) and MOT certificate (VT20) is to be supplied to JEVIC (by email, fax or post)
- Verification Fees paid to JEVIC.
- JEVIC confirm documentation independently and by commercial databases, if odometer reading proven authentic an odometer Certificate of Authenticity is issued for the vehicle and sent to the client.
- A Non Conformity Report is issued if the odometer reading is found to be inconsistent with the documented recorded readings. This report is issued to the client.
